

1700 - 14 Nov 45

Dear Sid:

Just another note to tell you we received your note of 6 November about 5 minutes ago.

Glad to hear your trip was a good one. However we wonder about your statement saying your folks will be able to leave in 5 days after orders. Some difference there and in your ETD this A.M. However, no matter when we will be delighted to see them.

OK Skipper, will get the gold! And seriously some of it is pretty good!
